

# **Kanab Elementary School Community Council**

## **Minutes for October 10, 2018**

### **KES Library**

**Present:** Tyree Baird, Braxton Bateman, Rosa DeMille, Ashley Heaton, Lexie Little, Danielle Ramsay, Megan Smith, Taleana Virostko, and Mariah Wheeler

**Welcome:** Mariah welcomed members of community council and the public attendees to the meeting.

**Thank You Letter for Breakfast Program:** Mariah went over the thank you letter to the superintendent and school district regarding the breakfast program. Pending some small changes, the council signed off on the letter. Mariah will give the letter to Braxton to deliver to the school district.

**2018 Statewide Community Council Training:** This year the state is offering a webinar link for the community council training. The webinar date conflicts with a program at KHS that evening on technology and the developing brain. Mariah is working to see if we can get a link to the webinar to watch it on our own time. She will give us information on how to access that link once she receives it.

**2017-2018 School Land Trust Final Report:** We reviewed the Final Report of the 2017-2018 School Land Trust. We reviewed the planned and actual expenditures and goals and action plans that were presented and discussed the success of each goal that was implemented. Specifically, we discussed the success of the Kindergarten Assessment. Mariah asked us to consider continued funding for this program because of how helpful it has been to students and teachers. The summer school program was another successful goal that came out of last year's report. Headphones were mentioned as an item of need.

**KES Calendar:** Tyree lead us through a review of the calendar for the upcoming month.

**Closing:** Lexie made a motion to close the meeting. Ashley seconded the motion. All voted in favor in closing the meeting. Meeting was adjourned at 3:33pm.
