Review KES Teacher Survey for Trust Land Funding: We reviewed a ranking of needs/wants from KES staff. Paraprofessionals are a high-ranking need for classrooms, skills, PE and Music. We also talked about educational software such as Spelling City, Starfall, Reflex Math and Ras Kids, replacement equipment such as headphones, mice and chromebooks, summer school, kindergarten readiness, and counseling for students.

Prioritize and Outlined Trust Land Funding Use: We discussed how much funding to put towards each of the areas listed above and decided on dollar amounts. This will be put into our community council plan and will need community council approval at our next meeting on March 27.

School Safety Review: Braxton reviewed the measures being taken to keep our students safe at school. These included, first and foremost, the amazing secretaries but also window film, key cards for staff, safety officer, and locked entrance during school hours.

KES Calendar: Braxton lead us through a review of the calendar for March. The Sharp Survey will be going out to students soon.

Closing: Mariah made a motion to close the meeting. Danielle seconded the motion. All voted in favor in closing the meeting. Meeting was adjourned at 3:55 pm.
